

V INTERNATIONAL CONFERENCE ON PATIENT SAFETY

HEALTHCARE-ASSOCIATED INFECTION AND ANTIMICROBIAL RESISTANCE

June 3-4, 2010

Ramón y Cajal Auditorium. School of Medicine.
Complutense University of Madrid. Spain

JUNE 3

8:30 - 9:30

Registration and welcome.

Ramón y Cajal Auditorium, School of Medicine. Universidad
Complutense. Madrid.

9:30. – 10:30

Opening session.

Trinidad Jiménez García-Herrera. Minister of Health and Social
Policy.

José Martínez Olmos. Secretary-General of Health. Ministry of
Health and Social Policy.

**The role of the Ministry of Health and Social Policy in
combating healthcare-associated infection (HAI) and
antimicrobial resistance (AMR).**

Concha Colomer Revuelta. Deputy Director. Health Planning and
Quality Office. Quality Agency of the National Health System. Ministry
of Health and Social Policy.

10:30. - 11:00

Inaugural lecture.

The role of the WHO in Europe in the prevention of healthcare-associated infections.

Zsuzsanne Jakab. Regional Director, WHO European Region.

11:00 - 11:30

Coffee break.

11:30 - 13:30

Round Table 1: International strategies for preventing antimicrobial resistance.

Chair: José Campos. Antibiotics, Bacteriology Laboratory. Spanish National Microbiology Center. Instituto de Salud Carlos III. Majadahonda, Madrid. Spain.

- **Advanced surveillance determining the occurrence and spread of antibiotic resistant pathogens through European health care systems.**
Hajo Grundmann. Professor for the Epidemiology of Infectious Diseases. University Medical Centre Groningen. Holland.
- **Scientific perspective concerning the microbial threat to patient safety in Europe.**
Dominique L. Monnet. Senior Expert, Antimicrobial Resistance & Healthcare- Associated Infections Scientific Advice Unit, ECDC. Stockholm. Sweden.
- **Centre for Disease Control Anti-AMR Campaign: "Get Smart for Healthcare Campaign".**
Edina Avdic. Pharmacy Director, Get Smart for Healthcare Campaign-CDC. Associate Director, Antibiotic Management Program-The Johns Hopkins Hospital. Baltimore, Maryland. USA.

13:30 - 14:30

Lunch.

14:30 - 17:00

Round Table 2: European strategies for preventing in hospital antimicrobial resistance. An EU challenge.

Chair: *Enrique Terol.* Health and Consumer Affairs Counsellor. Permanent Representation of Spain to the European Union. Brussels. Belgium.

- **Strategies for preventing AMR at Swedish hospitals.**
Johan Struwe. Professor. Department of Epidemiology, Swedish Institute for Infectious Disease Control. Sweden.
- **Combating AMR in Belgium.**
Dr. Herman Goossens. Professor of Microbiology at the University of Antwerp. Co-ordinating microbiologist for Belgium of the European Antimicrobial Resistance Surveillance System (EARSS). Belgium.
- **Experiences in AMR prevention at French hospitals.**
Jean-Michel Azanowsky. Conseiller technique chargé du programme national antibiorésistance. Point focal français sur l'antibiorésistance. Bureau Infections et autres risques liés aux soins. Direction Générale de la Santé. Ministère de la Santé et des Sports. France.
- **Conclusions from the Czech Presidency and next steps.**
Vlastimil Jindrák. Head of Clinical Microbiology. Na Homolce Hospital. Check Republic.
- **Activities in Hungary for preventing AMR and controlling HCAI.**
Dr. Emese Szilágyi. Senior expert. Department of Hospital Epidemiology and Hygiene. National Center for Epidemiology, Budapest. Hungary.
- **Spanish experience in combating AMR.**
José Campos. Antibiotics, Bacteriology Laboratory. Spanish National Microbiology Center. Instituto de Salud Carlos III. Majadahonda, Madrid. Spain.

17:00 - 18:30

Lecture.

The WHO First Global Patient Safety Challenge: making infection control, with hand hygiene as the essential basis, a priority in health care everywhere.

Benedetta Allegranzi. Deputy Project Lead, "Clean Care is Safer Care". WHO Patient Safety Programme. Geneva. Switzerland.

Round Table 3: Promoting Hand Hygiene. Experiences in the Spanish National Health System.

Chair: *Idefonso Hernández Aguado.* Director-General of Public Health and Foreign Health. Ministry of Health and Social Policy.

- **Implementation and evaluation of the Spanish National Health System's Hand Hygiene Programme**
Teresa-Pi Sunyer. National Programme Coordinator
